**Highlights from USAJOBS**

Looking for an internship, entry level job, or just want to explore the possibilities open in the government to the country's young people? Check out the brand new Students page at <http://www.usajobs.gov/studentjobs/>. From here you can find information on Government-wide hiring programs for students, entry level employment upon graduation, and additional opportunities including apprenticeships, cooperatives, fellowships, grants, internships, and scholarships.
